

TX SPF SIG Community Member Sustainability Assessment

This is a survey to find out more about coalition sustainability. Some sentences or phrases may describe your coalition better than others. Please give us your opinion on each as they apply to your coalition. Read each sentence or phrase and indicate if: you agree that the sentence or phrase describes your coalition; you can't make-up your mind or unsure if the sentence or phrase describes your coalition; you disagree with the sentence as describing your coalition. If you are in a role in which you don't have enough information to form any type of opinion please mark, "Not in a position to form opinion." Answer to the best of your ability; remember to mark one box for each sentence or phrase. Your opinion is valuable even if you unsure or don't know. Thank you for your help with this project.
